

Gothenburg Youth Games

30/6-2/7 2023, Slottsskogsvallen Arena in Göteborg, Sweden

We will provide the full Track & Field experience

- * Includes all age classes from Men and Women to 12 year olds.
- * Includes a complete schedule of events in all age groups.
- * The meet has been moved to this Classic Arena where numerous world records have been set over the last 100 years.
- * Is open to competitors of all levels, from Olympic Champions (six Olympic champions currently hold meet records) to beginners in the sport.

After 26 years at The Ullevi Arena we are moving to the beautiful Slottsskogen Arena in 2023. This is due to a number of music concerts at Ullevi in 2023.

The Gothenburg Youth Games was first held in 1996. Today it is the largest annual Track & Field Meet in Europe. 3.500 athletes from 375 different clubs (spanning over 20 nations) makes more than 8.000 starts over three actionpacked days.

The move from Ullevi does not in any way mean that we lower our ambitions regarding the quality of the meet. We will do everything in our power to maintain the high standard in every respect of the competition.

Please take some time to view the results (at www.vuspel.se) from previous years and you will see that we provide an outstanding meet for an international tour in terms of the level of results. Foreign guests frequently mention the quality of the competition and high standard of officiating.

Göteborg is also a perfect summer city with lots of things to do when you're not competing. The beautiful archipelago and the amusement park Liseberg are in themselves spectacular visits during your stay.

If this sounds interesting to you, feel free to contact either Jonathan Carbe (friidrott@ois.se) or Per Crona (per.crona@ois.se or phone +46 706151487).
