177 av totalt 329 deltagande föreningar tog poäng, det vill säga hade någon placerad bland de tre bästa i någon gren.

Extratävlingarna i stav och 4x100m räknas ej. I längd män räknas poäng på Jubileums-språnget och inte i den nationella tävlingen.

Tredje pris går till Spårvägens FK då Själland är en sammanslutning av flera föreningar.
